2. **Basis for expedited consideration.** Expedited consideration of the Subject Motions is necessary because of (i) the delays the Debtor has caused in the performance of the prime contract between Cadre and the Owner which impact the completion date of the prime contract and thus threaten damages to and the reputation of Cadre, and (ii) the claims of suppliers and subcontractors which are unpaid by the Debtor and which now threaten statutory liens and other remedies against the Owner and the Project.

3. Cadre seeks entry of a final order at the expedited hearing on each of the Subject Motions.

4. **Certificate of Conference.** The Debtor opposes the Subject Motions and expedited consideration.

5. **Time estimate for hearing.** 1-2 hours.

6. **Deadline for when hearing is needed:** A hearing is needed within fourteen (14) days. Cadre proposes a hearing on February 7, 8, or 9, 2024.

7. **Date when all parties are available:** Cadre will seek to address the scheduling of the Subject Motions at the hearing set for January 23, 2024, in this case.

8. A proposed form of order accompanies this motion.
